Nova Technologies Inc.

Employee Handbook

Version 4.2 — Effective January 1, 2025

1. Welcome to Nova Technologies

Welcome to Nova Technologies Inc. We are a global technology company committed to innovation, integrity, and the professional growth of every team member. This handbook outlines the policies, expectations, and benefits that define your experience here.

This document applies to all full-time, part-time, and contract employees. Please read it carefully and keep a copy for your reference. If you have any questions, contact People Operations at people@novatech.com.

2. Code of Conduct

Nova Technologies expects every employee to act with integrity, respect, and professionalism at all times. This includes interactions with colleagues, clients, vendors, and the public.

Violations of the Code of Conduct — including harassment, discrimination, dishonesty, or misuse of company resources — may result in disciplinary action up to and including termination.

Employees must report any known or suspected violations to their manager or the Ethics Hotline at 1-800-555-0199. All reports are treated confidentially.

3. Work Hours and Attendance

Standard work hours are Monday through Friday, 9:00 AM to 6:00 PM local time, with a one-hour unpaid lunch break. Flexible schedules may be arranged with manager approval.

Remote work is available for eligible roles. Employees working remotely must be reachable during core hours (10 AM – 4 PM) and attend all scheduled meetings.

Chronic tardiness or unexcused absences may result in a formal performance review. Please notify your manager as early as possible if you are unable to attend work.

4. Compensation and Payroll

Employees are paid bi-weekly via direct deposit. Pay stubs are available through the employee portal at portal.novatech.com.

Salary reviews are conducted annually each January. Performance-based increases range from 0% to 8% depending on evaluation scores and company performance.

Overtime for non-exempt employees is compensated at 1.5x the regular hourly rate for hours worked beyond 40 in a workweek. Overtime must be pre-approved by your manager.

5. Performance Reviews

Formal performance reviews are conducted twice per year: in June (mid-year check-in) and December (annual review). Employees and managers complete self-assessments before each review cycle.

Performance is rated on a five-point scale: 1 (Below Expectations), 2 (Needs Improvement), 3 (Meets Expectations), 4 (Exceeds Expectations), 5 (Outstanding).

Employees who receive a rating of 1 or 2 may be placed on a Performance Improvement Plan (PIP) with a 90-day improvement window.

6. Workplace Safety

Nova Technologies complies with all applicable occupational health and safety regulations. Emergency exits, first aid kits, and fire extinguishers are located throughout each office.

Employees must report any workplace injuries or safety hazards to Facilities Management immediately. Incident reports must be filed within 24 hours.

The company conducts annual safety drills. Attendance is mandatory for all on-site employees.

7. Termination and Resignation

Employees who wish to resign are requested to provide at least two weeks written notice. Senior roles may require up to four weeks notice.

Upon termination, employees must return all company property including laptops, badges, and access cards on or before their last day.

Final paychecks, including any accrued unused vacation (up to the annual cap), will be issued within the timeframe required by local law.
