1. Vacation Days by Tenure

Vacation days are accrued based on years of continuous service with Nova Technologies:

Years of Service	Vacation Days per Year	Accrual Rate
0 – 1 year	10 days	0.83 days/month
1 – 2 years	12 days	1.00 days/month
2 – 4 years	15 days	1.25 days/month
4 – 6 years	18 days	1.50 days/month
6 – 9 years	20 days	1.67 days/month
10+ years	25 days	2.08 days/month

> Example: An employee who has completed exactly 2 years of service is entitled to 15 vacation days per year, accruing at 1.25 days per month.

2. How to Request Vacation Time

All vacation requests must be submitted through the Employee Portal at portal.novatech.com under Time Off > New Request.

1. Log in to the Employee Portal and navigate to Time Off.
2. Select the start and end dates for your requested vacation.
3. Add a brief note if your absence requires coverage arrangements.
4. Submit the request — your manager will receive an automatic notification.

5. Requests are typically approved or denied within 2 business days.
6. You will receive an email confirmation once your request is approved.

Requests of 5 or more consecutive days should be submitted at least 3 weeks in advance. Requests of 1–4 days require at least 5 business days advance notice, except in emergencies.

3. Leave of Absence

A leave of absence (LOA) may be granted for medical, family, personal, or military reasons. There are two types:

Paid Leave of Absence: Available for medical conditions, parental leave, and bereavement. Duration and pay rate depend on the reason (see Benefits Guide for parental leave details).

Unpaid Leave of Absence: Available for personal reasons with manager and HR approval. Job protection is provided for up to 12 weeks under FMLA for eligible employees.

To request a leave of absence, contact People Operations at people@novatech.com at least 30 days before the intended start date, or as soon as practicable in emergencies.

4. Sick Leave

All employees receive 10 sick days per calendar year, provided on January 1. Sick days do not roll over and are not paid out upon termination.

Sick leave may be used for personal illness, medical appointments, or caring for an immediate family member. A doctor's note may be required for absences exceeding 3 consecutive days.

Employees terminated for cause forfeit any accrued vacation payout.
